Dilution: YES <input checked="" type="checkbox"/> No <input type="checkbox"/> Follow manufacturers requirements
--

Procedure – Use	
Stage 1	See Manufacturers requirements
Stage 2	

First Aid Information:
(SDS sec. 4.1)

Product Concentrated

At Use Dilution

Firefighting measures:
(SDS sec. 5.1)

Special requirements:
(SDS sec. 7.2)

Eye contact	In case of contact with eyes flush immediately with plenty of flowing water for 10 to 15 minutes holding eyelids apart and consult an ophthalmologist.
Skin contact	Avoid contact with skin, if product gets onto skin wash with water and remove contaminated clothing. If eye irritation persists: Get medical advice/attention
If inhaled	Inhalation: Avoid inhaling product, move to fresh air if in discomfort. If eye irritation persists: Get medical advice/attention
If swallowed	Ingestion: Do not drink, if swallowed drinking water may be beneficial, do not induce vomiting.
Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.	
Store in a cool dry room. Do not mix with other chemicals.	

Accidental Release Measures

- If an accidental release occurs ensure people and colleagues are moved away.
- Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
- Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
- If you have any queries please contact your **HSE Manager**.
