If swallowed	Ingestion: Do not drink, if swallowed drinking water may be beneficial, do not induce vomiting.
Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.	
Store in a cool dry room. Do not mix with other chemicals.	

Accidental Release Measures

- If an accidental release occurs ensure people and colleagues are moved away.
- Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
- Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
- If you have any queries please contact your **HSE Manager**.
