Fire Fighting Measures:	Use extinguishing measures that are appropriate to local circumstances and the surrounding environment: foam, carbon dioxide or dry powder.
Special Requirements:	Store in a cool dry room. Do not mix with other chemicals.

Accidental Release Measures

* If an accidental release occurs ensure people and colleagues are moved away. Do not allow to enter the water system in concentrated form.
 * Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE
 * Follow the Immediate Spill Response Plan contained within the Environment Toolkit and the Unit Managers Emergency Manual
 * If you have any queries please contact your HSE Manager or the HSE Helpline on

Review Date: March 2025

All documentation is subject to review by Compass on submission and confirmation provided back to Ecolab that this is in line with the Compass processes.
