<b>Accidental Release Measures</b>							
* If an accidental release occurs ensure people and colleagues are moved away.							
* Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE							
* Follow the appropriate Spill Response Plan or HSE guidance in the MSDS, the First Aid Kit and the Unit Managers Emergency Manual							

All documentation is subject to review by Compass on submission and confirmation provided back to Ecolab that this is in line with the Compass processes.
