REPORT A HAZARD OR NEAR MISS

Speak out. Help prevent the next incident.

MAKE SAFE IF YOU CAN DO SO SAFELY

Tell your Manager or Supervisor about immediate risks so action can be taken.

HAZARD OBSERVATION

Something that could cause harm, such as a damaged cable or a blocked walkway.

NEAR MISS

An event that caused no injury but could have done, such as a falling item narrowly missing someone.

SCAN TO REPORT

1. Scan the QR code with your phone.

2. Complete the AIR3 form with the unit and manager details below.

3. Describe the hazard or near miss clearly and submit your report.

Sign-in may be required.
