**Accidental Release Measures**

- \* If an accidental release occurs ensure people and colleagues are moved away.
- \* Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE
- \* Follow the Immediate Spill Response Plan contained within the Environment Toolkit and the Unit Managers Emergency Manual
- \* If you have any queries please contact your HSE Manager or the HSE Helpline on .....

All documentation is subject to review by Compass on submission and confirmation provided back to Ecolab that this is in line with the Compass processes.
