				 Food leftovers	 Blue roll
					 Blue gloves
X NO Coffee cups Laminated paper Takeaway food packaging	X NO Drinking glasses Broken glass	X NO Plastic films Cling film Shrink wrap	X NO Cutlery	X NO Napkins Blue roll Any plastic	X NO Anything that can be recycled

Failure to segregate waste correctly may put our clients at risk of fines.

Please note, cooking oil should be segregated and collected separately.

This guidance is designed for England and Scotland. In Wales there are different requirements.
