BE PRESENT

Always focus on the task in hand, by being alert to the hazards to yourself and others around you.

CARE

BE AUTHENTIC

By being genuine and taking the time to acknowledge others, by asking how they are doing and if they have any safety or wellbeing concerns that you can support with

SHARE

STEP IN

By taking actions when you spot hazards, unsafe acts or unsafe conditions, never walk by. Equally when you spot a positive safety outcome, reward it and share with others to help them improve
