First Aid Information:
Product Concentrated
At Use Dilution

Eye contact	Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention immediately.
Skin contact	Wash off immediately with plenty of water for at least 15 minutes. Use a mild soap if available. Wash clothing before reuse. Thoroughly clean shoes before reuse. Get medical attention immediately.
If inhaled	Remove to fresh air. Treat symptomatically. Get medical attention if symptoms occur.
If swallowed	Rinse mouth with water. Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Get medical attention immediately.

Firefighting measures:
Special requirements:

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.
Store in a cool dry room. Do not mix with other chemicals.

Accidental Release Measures	
<ul style="list-style-type: none"> • If an accidental release occurs ensure people and colleagues are moved away. • Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE. • Follow the Immediate Spill Response Plan contained within the Environment Toolkit and the Unit Managers Emergency Manual. • If you have any queries please contact your HSE Manager or the HSE Helpline on 0121 457 5194.
