BASIC SUN SAFETY

Cover up

Wear light weight and light coloured clothing that covers your skin.

Apply sunscreen

SPF 30 or higher, 20 minutes before sun exposure. Reapply every 2 hours.

Wear a hat & sunglasses

Broad-brimmed hats provide better protection.

Seek shade

Reduce UV radiation by taking shelter under a tree, umbrella or another shady spot.

Keep hydrated

Increase your water intake and always keep a reusable bottle of water with you to rehydrate.
