<b>Firefighting measures:</b>
<b>Special requirements:</b>

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Store in a cool dry room. Do not mix with other chemicals.

- Accidental Release Measures**
- If an accidental release occurs ensure people and colleagues are moved away.
  - Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
  - Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
  - If you have any queries please contact your **HSE Manager** or the **HSE Helpline** on **0121 457 5194**.
