**Firefighting measures:**

**Special requirements:**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Store in a cool dry room in suitable labelled and tightly closed containers. Do not mix with other chemicals. Keep away from heat and sources of ignition. Keep away from oxidizing agents.

**Accidental Release Measures**

- If an accidental release occurs ensure people and colleagues are moved away.
- Ensure the spill is dealt with by trained colleagues (i.e. know how to deal with spills and how to use spill kits) and wear appropriate PPE.
- Follow the Immediate **Spill Response Plan** contained within the **Environment Toolkit** and the **Unit Managers Emergency Manual**.
- If you have any queries please contact your **HSE Manager** or the **HSE Helpline** on **0121 457 5194**.
